BOY IS HURT WHEN BOILER EXPLODES

Earl Overleese, Age 16, Son of Mr. and Mrs. John Overleese of Arlington, Seriously Burned

ACCIDENT NEAR OCCIDENT

Rulan Overleese, Age 18, a Brother, Slightly Injured and Father Escapes—Cleaning Gas Well

Earl Overleese, age sixteen years, son of Mr. and Mrs. John Overleese of Arlington, may be fatally burned as the result of a boiler explosion on the Thomas McManus farm, a short distance northwest of Occident, in Center township, shortly after four o'clock yesterday afternoon.

Rulan Overleese, age eighteen years, a brother, was painfully injured from burns, but his condition is not serious. Mr. Overleese, father of the two boys, was not far from the engine when the boiler exploded, but escaped without a scratch. Children of Mr. and Mrs. Fred McManus, who live on the farm, were also standing near, but none of them was hurt.

Mr. Overleese and his two sons had the contract for cleaning out a gas well on the McManus farm and were engaged in pulling the pipe from the well when the accident happened. It is said that Mr. Overleese had just warned his son Earl, who was firing the boiler, not to get up any more steam because of the danger of the boiler exploding.

Earl was given first aid treatment at the McManus farm and then rushed to his home in Arlington and Dr. A. G. Shauck of Arlington was called. It was at first thought that his eyesight had been damaged by the scalding steam and dirt which was blown into his face, but it has since been found that his eyes were not hurt.

The young man has a very serious bruise on the lower part of his abdomen, evidently from some part of the boiler striking him. His face was cut by flying missiles and he suffered burns all over his body. The worst of the burns are on his breast and arms.

Rulan, who was running the engine, was burned only on the hand and foot. How he escaped being as badly burned as his brother is not understood as he was close to the engine when the boiler let go. Two attempts had been made to pull the pipe out of the well and the third pull at the pipe was being made when the accident happened.

NEWMAN ARRESTED JUST OUTSIDE JAIL

Young Man Eludes Police But Returns to Talk to Mrs. Blanch Gilson

WHERE HE MAKES A MISTAKE

After a chase of several squares in the Pearl street district yesterday afternoon, by the police after Bert Newman, who was wanted by them in connection with the arrest of Mrs. Blanch Gilson, he was finally caught late in the afternoon, while talking to Mrs. Gilson on the outside of the jail.

Mrs. Gilson was placed in jail Tuesday on a charge of adultery, and when the arrest was made, Newman escaped. It was learned yesterday that Newman was back at the Gilson home in Pearl street, and when the police arrived, he ran, with them in pursuit. In the afternoon he sauntered by the jail and talked to Mrs. Gilson, and the police were then notified, and his arrest was made on the outside of the jail. Both parties were being held in jail today awaiting their trial.

INDIANA POLICE ARE ON DUTY

Trouble at Richmond When Strikers Find Men at Their Benches.

(By United Press.)
Richmond, Ind., Aug. 28.—Additional police were on duty here to maintain order following trouble between striking moulders and strike-breakers at the plant of the Malleable Casting Company.
Forty moulders who have been away from work for three weeks started back to their job yesterday morning, but discovered thirty strike-breakers at their benches.
Last night the strikers gathered about the hotel where the strangers were housed and stoned them.

SMALL FOOD ORDERS ARE DISCONTINUED

Hereafter None Will be Sold in Case Lots, Postmaster G. P. Hunt Announces Today

NO ORDERS FOR A FEW DAYS

Postmaster Hunt and his clerks, who have been engaged in the grocery business on a small scale the last few days, announced today that tonight would end the sale of the surplus food in small lots. The last day or so, there were no orders taken, and it was decided that today would end it here as far as small orders are concerned, and only case lots will now be sold.

In sending his final order in tonight, full cases will be ordered to fill out the partly filled cases, and the balance of the cases will be disposed of when they arrive, Mr. Hunt said this morning that there was plenty of bacon left to be sold, but it would only be sold in case lots, and not in the twelve pound cans. Practically all of the beans, with the exception of baked beans, have been sold, which includes, the stringless, green and dried beans.

The local postoffice has been looking for the last day or so, for the shipment of the food included the first few orders, but so far no word has been heard from the orders sent in from this office. No other office around here has received a shipment yet, and it is expected that surely the first consignment will reach here soon.

THREE COMPANIES OF MILITIA WITHDRAWN

Others Will Likely be on Their Way Home From Hammond This Evening, it is Announced

IT DEPENDS ON CONDITIONS

(By United Press.)
Indianapolis, Ind., Aug. 28.—Responding to the request of Hammond city officials, Governor Goodrich today withdrew three of the eleven companies of Indiana militia which have been stationed there during the strike of foreign-born employees of the Standard Steel Car company. The three companies released are from Fort Wayne, Elkhart and Gary.

According to an announcement from the governor's office, the majority of the other companies probably will be on their way home this evening.

Their removal depends upon conditions there and whether Adjutant General Smith thinks they warrant a longer stay.

HEARS OF MOTHER'S DEATH.

Word was received last night by John Vernon of near Gowdy, of the death of his mother in Indianapolis, at the age of 82 years. Mr. Vernon left immediately for Indianapolis to take charge of the body.

OPPONENTS ARE STILL FIGURING

They Show Proposed County Infirmary Would Cost \$168,280, Counting Interest on Bonds.

ALSO COST OF EQUIPMENT.

Average Annual Expense of \$8,412 a Year, Not Including Increased Maintenance—Now \$3,167.39.

Opponents of the plan of the county commissioners to build a new county infirmary at the cost of nearly \$100,000, are still figuring. They have figured that:

The cost will average \$8,412 a year for the next twenty years, not taking into consideration the cost of maintenance, which it is estimated will run close to \$5,000 a year.

That the bond issue, to be paid off in twenty years, amounts to \$95,520.

That it will cost approximately \$20,000 to furnish and equip the building.

That the interest on the bond issue will amount to \$47,760.

That the architect's fee will be nearly \$5,000, which is five percent of the total contract price.

That the average annual loss in maintaining the county infirmary for the last seven years has been \$3,167.39.

That the county has an investment of \$44,000 in land alone in the poor farm tract, estimating the 176 acres to be worth \$250 an acre.

The state board of tax commissioners has been supplied with all of these facts to guide them in reaching a decision on the county commissioners' petition for permission to issue bonds to build the new infirmary.

Not a single person, opposed to the proposed new building, has been found, who does not want to see the county's unfortunates satisfactorily cared for, but they do believe that the county would invest too much money in a building which the commissioners want to build.

It is pointed out that if there is any truth in the argument which has been used by prohibitionists, that the gradation of intoxicating liquor will reduce the number of paupers, there is no occasion for providing such a large and elaborate building for the county's poor. It is stated that the records of states which have been dry for many years disclose that the number of county and state dependents has been greatly reduced.

It is also declared that no private home has been built in Rush county which cost more than \$40,000, and many can not understand why a home for the poor with adequate safeguards against loss of life from fire and good sanitary equipment, can not be built for at least \$50,000.

Counting the principal of the bonds to come due in the next twenty years, the interest, the architect's fee and the estimated cost of equipment, the total cost of the proposed building would be \$168,280. These figures do not take into consideration the increased cost of maintenance, which is certain because of the new and larger building.

ALLEGED FLIER ARRESTED

Shelbyville, Ind., Aug. 28.—J. C. Lockwood, who says he is a lieutenant in the aerial service, was arrested here yesterday and taken to Connersville by the police of that city to answer a charge filed against him by the Fayette County Fair Association, which accuses him of obtaining money under false pretenses.

COUNTY UNITS TO BE HEARD SEPT. 18

Scarcely a One Which Will Not Ask Permission of Tax Board to Increase Revenue

COUNTY FUNDS NEED MORE

Officials Believe Increases in Assessments Applies to Rushville —Assessors to Help

Earl Priest, county assessor, and George Aultman, Rushville township assessor, have been instructed by the state board of tax commissioners to assist the county auditor and his deputies in adding the increases put on the personal property assessments in the county by the state commissioners.

Mr. Aultman, of course, is expected to assist only with the work on the Rushville township lists, which include Rushville city, but Mr. Priest is supposed to help the auditor until the whole county is completed. Mr. Aultman is the only township assessor in the county who works on a salary and not a per diem schedule.

Thirty percent was added to the personal property in the townships, forty percent in Rushville city and 60 percent in Carthage and Glenwood. The task is especially big because of notes and money being excluded from the increases, due to the fact that they are given in at their true cash value in the first place. This makes it necessary to go through every page of the personal lists and deduct these two items before figuring the increase. Putting the raise on real estate and improvements will be a simple matter because it can be figured on the totals by townships.

County taxing officials have about concluded that the state board did not intend to exclude Rushville city from the twenty-five percent increase which was put on lots and improvements in all cities and incorporated towns in the county. They were puzzled by a notation at the bottom of the statement raising assessments but after giving the matter considerable study, have come to the conclusion that the board meant for the increase to apply to Rushville city since the only figures certified to the state board were those made by the county board of review in reassessing lots and improvements in the city.

The state board has set the dates for hearing the petitions of local taxing units for permission to increase their revenue over this year, and Rush county is placed in the group of counties to be heard Thursday, September 18.

It is believed that there will scarcely be a township or incorporation in the county which will not want more revenue in one for more funds for the coming year, due to the increased cost of government, which has mounted the same as all other expenses. It is definitely settled that the county commissioners will have to have more money in the general fund than was raised this year, which will make an increase in the county tax necessary, and more in the gravel road repair fund. The latter fund will be drawn upon more heavily next year because of more gravel roads being added and because one source of revenue which was used in road repair will be cut off. This is the sum which has been derived from automobile licenses, amounting to about \$15,000 a year. After this year all automobile license money goes to the state highway commission to be used in building and maintaining state roads.

It was estimated today the tax duplicate in Rushville city will amount to \$9,000,000, providing the increase is put on lots and improvements and the corporations, as assess-

HINDENBURG IS SELECTED

People's Party Decides to Nominate Him For President

(By United Press.)
Berlin, Aug. 28.—The national people's party has decided to nominate Marshal Von Hindenburg as its candidate in the next presidential election, it was reported authoritatively today.

No date has been announced for the election. The president, according to the constitution, serves seven years but the original plan was that President Ebert should hold office only provisionally. The people's party is conservative in its make-up and policies.

DISPOSES OF ESTATE OF ABOUT 30 MILLION

Carnegie's Will, Filed For Probate Today, Leaves Annuities For W. H. Taft and Lloyd George

FORMER PRESIDENT'S WIVES

(By United Press.)
New York, Aug. 28.—The will of Andrew Carnegie, filed for probate at noon today, disposed of an estate estimated at between twenty-five and thirty million dollars. The will leaves the Carnegie real estate, works of art and household goods to his wife. The sum of \$200,000 is left to the University of Pittsburgh.

In a statement issued simultaneously with the probating of the will, Elhan Root, Jr., member of the law firm that acted for Carnegie, said that during his life time the philanthropist made gifts to charities amounting to \$350,000,000.

Financial provisions for Mrs. Carnegie and her daughter, Mrs. Roswell Miller, were made during Carnegie's life time. The fourth article of the will contains many legacies, among which are bequests to charitable institutions. The following articles provide for bequests to relatives and friends. Among the latter are annuities of \$10,000 each for William Howard Taft and David Lloyd George, and annuities of \$5,000 each to Mrs. Theodore Roosevelt and Mrs. Grover Cleveland.

BANDITS CAPTURE 150 CARRANZA MEN

Derail Train in Mountainous Region, and Make Federal Troops Prisoners, Report Says

MUCH EQUIPMENT IS TAKEN

(By United Press.)
Laredo, Texas, Aug. 28.—Mexican bandits derailed a Carranza troop train carrying 150 men, machine guns, artillery and provisions early this week and killed or made prisoners all the federals, according to advices received here today.

More than 200 men were in the attacking party. It is not known to what faction the bandits belong. Included in the prisoners was a colonel in the federal army. A quantity of artillery was also captured. The attack came as a complete surprise in a lonely mountainous region, according to the report.

WILSON TO SPEAK IN INDIANAPOLIS

President Will Leave Washington Next Wednesday on Tour in Interest of Peace Treaty.

FIRST SPEECH AT COLUMBUS

Opponents in Senate Begin Making Plans For Speakers to Follow Wilson and Give Other Side.

(By United Press.)
Washington, Aug. 28.—President Wilson will start his tour of the country for the peace treaty and league of nations next Wednesday, September 3, it was announced at the White House today. His first stop will be at Columbus, Ohio.

The first stop after Columbus will be at Indianapolis.

Those accompanying the president will be Mrs. Wilson, Admiral Grayson, the president's personal physician, Secretary Tumulty, Gilbert Close, the president's stenographer and other officials.

A large force of secret service men will also go.

The president will reach the Pacific coast in mid-September. Immediately following announcement of the program of his tour, his senatorial opponents began plans for speakers to follow the president to present the opposition side of the treaty.

In addition to the speeches by senators who may go on the tour, there will be daily senate speeches on the treaty which, it is hoped, will be out of the foreign relations committee and before the senate at about the time the president leaves Washington.

The president will thus be carrying on long distance debate with his opponents. The argument of the president which he expects to carry to the country, has already been made in addresses to the senate and in his conferences with the foreign relations committee at the White House.

The review of the newly created Pacific fleet will be held at San Francisco September 1, acting Secretary of the Navy Roosevelt announced late yesterday. This will preclude attendance of President Wilson at the review.

Mr. Roosevelt said that President Wilson directed the navy department several days ago to proceed with plans for the review of Admiral Rodman's forces at San Francisco September 1 as originally planned. Secretary Daniels, Governors of several western states and the mayors of various Pacific coast cities will make up the reviewing party.

At the White House, after Secretary Roosevelt's announcement, it Continued on Page Three

Sam Finney Had To Do A Lot of Explaining

It took a lot of explaining on Sam Finney's part yesterday at noon in the traction terminal station in Indianapolis to keep him out of the police station. Sam left here yesterday with six revolvers, a couple of razors, two rifles and a shot gun, contained in a suit case which evidently was not securely fastened. When he set the suit case down in the station it came open and on the slick floor the guns went in all directions. A policeman asked him if he had just got back from Mexico, and wanted to see his passport, and after an examination of the contents, showed that they were in need of repairs, the "cop" allowed him to go "provided that he buy the drinks, and fasten the suit case, so they couldn't get out."

Powerful Pile
Remedy Discovered

Has Never Failed to End Most Ob-
stinate Case of Piles in a Few
Days.

For years it has been proved that
so-called external remedies applied
to or inserted in the rectum cannot
cure piles, and at the best can only
give temporary relief. Surgical op-
erations also do not remove this
cause, but simply the formation.

This wonderful prescription,
known as Miro Pile Remedy, is so
efficient in the treatment of piles,
that even chronic cases of from 20
to 30 years standing with profuse
bleeding have been completely cured
in from three to ten days. Think of
it! Just a few doses of a carefully
balanced prescription and the most
persistent case of piles is absorbed,
never to return.

All pharmacists dispense Miro or
can get it for you on short notice.
Surely it's worth the little trouble
to obtain it to be rid of piles for-
ever.

IMPORTANT—What is known as
itching piles are not piles in the true
sense of the word, although this
condition may accompany a true
case of piles. For this condition
Miro Pile Ointment has been pre-
pared as in such cases it is not nec-
essary to take the internal prescrip-
tion.—Adv.

Nisco Spreaders

Now that the season for preparation for another crop has come, many are thinking of buying a
Spreader. This Nisco is the one best on the market. I know of no one who has one of them who
would not tell you that he had in it just what he had been wanting—a spreader that did the work
just as he wanted it done. Just yesterday I had word from the factory saying that in the last
two months they had sent out six trains—totalling 157 cars, loaded with 2,432 spreaders. This will
give you some idea of how popular they are. These shipments went into Indiana, Michigan, Illi-
nois, Minnesota, Wisconsin and Nebraska.

We have them out here with the following formers:

John H. Frazee
Elmer Emsweller
T. J. Downey
Don C. Brooks
W. A. Alexander

REPATRIATION COSTS

Melbourne, (By Mail)—The Com-
monwealth of Australia has spent
more than \$2,500,000 in the past
fiscal year in aiding returned sol-
diers and sailors and their depend-
ents, according to the first annual
review of the Repatriation Depart-
ment. Nearly 90,000 persons bene-
fited by the work of the department.

SEES PROGRESS IN
H. C. L. CAMPAIGN

Attorney General Has Hope, Ac-
cording to Announcement of
Success With Shoe Men

WILL FIX A MAXIMUM PRICE

Washington, Aug. 28.—Belief in
the progress in the government's
campaign against the high cost of
living was expressed by Attorney-
General Palmer in announcing last
night that the department of justice
is meeting with success in obtaining
from shoe manufacturers promises
as to fixing a maximum price on
shoes.

With reports to the department
indicating that a slight downward
trend in prices already has set in,
although it is not yet sufficient to be
reflected in spot purchases on the
retail market, Mr. Palmer declared
that with a fair chance efforts of
the government to squeeze the infla-
tion out of prices soon would show
substantial results.

Expressing satisfaction with the
success so far attained the attor-
ney-general said that he believed
the cumulative results would follow
enactment by the congress of
amendments to the food control law
providing criminal penalties for pro-
fiters and hoarders.

Efforts of retail merchants to
stimulate buying by predicting high-
er prices next season on clothing
and other non-perishable articles
were condemned by Mr. Palmer, who
warned the public not to be stamp-
eded by this propaganda into a
"buying hysteria." Extensive pur-
chasing now, he said, would make
such predictions come true.

RELIEF FROM STRIKE
IN WEST IS EXPECTED

Yardmen at Sacramento and Oak-
land, Cal., Return to Work—
Others to Follow Their Lead

HINES THREATENS TO ACT

San Francisco, Aug. 28.—Hopes
for early and radical improvement
in the strike situation, which vir-
tually has paralyzed rail transpor-
tation in southern and central Cal-
ifornia, were expressed today.

All the strikers had before them
orders from their international of-
ficers to return to work, as well as
a statement from Walker D. Hines,
director-general of railroads, that
this order was "final," and that the
government was "taking steps" to
operate the roads if the strikers did
not return to their posts.

At Oakland and Sacramento,
where brief strikes of yard employes

had paralyzed traffic, the men had
returned to work, and conditions
were assuming something of a nor-
mal aspect.

Embargoes against passenger
traffic from eastern points to Cal-
ifornia continued in effect today,
however, and from several points
came word of the organization of
automobile stage lines to carry
passengers to Los Angeles.

BE HEARD SEPT. 18
COUNTY UNITS TO

Continued from Page One
sessed by the county board of re-
view, are not reduced by the state
board. This will be enough to keep
the city tax rate within the \$1.50
limit, providing the same amount of
revenue is raised next year as this.

Attention of county officials was
called today to the fact that the
state board ruled government cer-
tificates, War Savings Stamps and
Liberty Bonds were taxable, in the
case of some Newcastle factories
which held government securities. It
was stated that the county board of
review here had assessed govern-
ment securities held by local factor-
ies, which were regarded as taxable,
when they had been purchased with
money from an undivided surplus.

The services for the Little Flat-
Rock Christian church will be held
in the New Salem school auditorium
Sunday on account of the church
being rebuilt.

Farm Light
and Power

Here is a 40 light plant that
you will like—for its economy
and utility. Touch a button to
start it and another to stop.

The low speed engine with
ball bearing dynamo assures long
life—less attention—lowest pos-
sible maintenance cost. The 40
light "F" farm outfit comes com-
pletely mounted on one base with
the famous throttling governor
"Z" engine which also gives
mechanical power to operate a
washing machine—cream sep-
arator—churn—or other ma-
chines independent of the dy-
namo, either direct or through
a line shaft. Unquestionably the
biggest value in the farm light-
ing field—and you get the added
advantage of mechanical power.

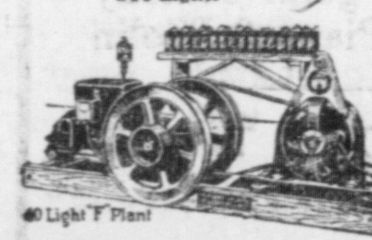

Come in and see this plant
and let us prove its reliability
point by point.

How Acme Worm Bouncer Expels Worms

When the hogs and pigs eat anything the Free Intestinal worms
do not like, they lay dormant. The hog which is fed Acme
Worm Bouncer in the SELF FEEDER eats a little—several times
a day. The WORM BOUNCER goes into the stomach and in-
testines—STRAIGHT. The time comes when the worm must
eat, and when he does, the Acme Worm Bouncer PARALYZES
the worm—he then must let go—and in that manner the Acme
Worm Bouncer expels the worms and EXPELS THEM ALIVE
from 5 to 7 days after you commence to feed Acme Worm
Bouncer.

Acme Worm Bouncer is fed with perfect safety to all pregnant
animals, whereas any remedy that kills the worm in the INTES-
TINES AND STOMACH is very injurious to the animal and
very dangerous to use.

MISSING FLIERS NOT BLOWN OUT OF COURSE

Lieut. H. E. Slater and Serg. Strickland Were Believed to Have Been Lost in Ontario

REACH FLYING FIELD SAFELY

Mr. Clemens, Mich., Aug. 28.—Lieutenant H. E. Slater and Sergeant Strickland, who were believed to be lost in Lake Ontario, or to have been blown out of their course and landed in some out-of-the-way region during their flight from Buffalo to Toronto, in the international aerial derby, New York, to Toronto and return, yesterday, are safe at Selfridge field here, Lieutenant Thomas Gill commandant, announced this morning.

Lieutenant Gill reported that Slater's machine developed engine trouble, causing him to head for his home field, instead of continuing the flight to Toronto.

Slater was in wireless communication with Selfridge field throughout his flight after leaving Buffalo, it was said.

Compelled to land shortly after leaving Buffalo, the aviators made temporary repairs to their motor. They reached Selfridge field later.

Lieutenant Slater was on the last lap of his flight and left Buffalo at 12:47 o'clock yesterday afternoon, when engine trouble developed.

MONTENEGRO IS IN REVOLT

Serbian Are Unable to Put Down Revolutionary Movement

(By United Press.)

London, Aug. 28.—A revolution extending over the entire country has broken out in Montenegro, according to dispatches received here today.

The Montenegrins have cut the railroad between Virpazar and Antivari, on the coast.

The Serbians are receiving reinforcements but are not meeting with success in their efforts to put down the revolutionary movement, according to the advices, which represent the Montenegrin national spirit as thoroughly aroused and the animosity of the people against the Serbians increasing.

WILSON TO SPEAK IN INDIANAPOLIS

Continued from Page One

was said that the change in the date of the fleet review would not change the President's plans for the western part of his trip. White House officials said it was probable that the navy department's decision was predicted on the desire of persons on the Pacific coast to have the review held at an early date.

2 OPERATIONS PERFORMED

Two operations were performed today at the Dr. Green Hospital, both for the removal of tonsils and adenoids. Those operated on were Miss Vivian Bebout, daughter of Mr. and Mrs. Russel Bebout, and Harold McFarridge, living south of Arlington.

MONROE SALISBURY IN "THE BLINDING TRAIL"

Down the shining path of the slide "Big Jim" McKenzie sped on his toboggan, shouting in joyful abandon at the comrades left behind. Suddenly his shouts died on his lips. There in his path stood Helen Halverson, daughter of the millionaire lumberman, who was McKenzie's employer.

The girl was paralyzed with fright. To avoid striking her, McKenzie swerved his sled full into a tree.

He was picked up as if dead. It was found that no bones were broken, but the concussion had injured the optic nerve. Blindness set in. Helen, convinced it would be but temporary, followed the call of desire and lured Jim into marriage. Then, tiring of the game, she looked about for diversion.

What happened when "Big Jim," sightless, powerless, learned of his wife's treachery? And what of Adele, who had renounced her love in the face of McKenzie's infatuation for Helen? To learn the outcome of this gripping story of the North Woods you must see "THE BLINDING TRAIL" at the Mystic Theatre Friday.

Safe Vacation Days.

A healthful vacation, to get away from home and business, a change of climate and environment, is a very necessary mental and physical tonic for the hard-working American, says the United States Public Health Service.

But where to go and what to do is a problem. Hundreds and hundreds of people every year take bag and baggage and go away to rest-up and recuperate. They return broken in health and spirit because the place they selected was insanitary, beset with flies and mosquitoes and the drinking water polluted. Or they go off into the wilds, ignorant of camp sanitation and first aid treatment and fare equally as bad.

To guard against this the Public Health Service has published a little book, "The Safe Vacation", designed as a guide in the selection of a resort and as a companion wherever it might be necessary to render first aid to the injured. It points the way to a vacation that will be healthful and sets down a number of rules of sanitation to be borne in mind.

The booklet also contains a brief, but necessary chapter on first aid. It illustrates and explains resuscitation of the drowning, treatment of minor wounds and burns, snake bites, sun burn and poison ivy. In addition it sets down some rules for bathing, which if observed, would make drowning remote.

No mention of resorts is made. The seashore, mountains, or the country are equally beneficial, provided the resort itself is sanitary.

The book simply tells one how to avoid the things that make the vacation dangerous to the health.

Overlooked One Bet

President Wilson's argument that no reservations should be attached to the resolution of ratification of the peace treaty for the reason that the assent of the German Assembly would have to be obtained to them and he would be reluctant to approach the German Assembly on this matter has fallen to the ground so far as reservations relating to the covenant of the league of nations are concerned.

The president used this argument in the formal statement which he put out at the opening of the recent White House conference with senators of the foreign relations committee. Moreover it has been used at various times by his lieutenants. Senator Fall of New Mexico pointed out to the president that Germany was out of the league and that any amendment proposed by any member of the league prior to her coming into the league would not be submitted to her for the simple reason that she was not a member. Senator Fall asked the president if this were not true.

"I will admit", said the president, "that that point had not occurred to me. No, she would not".

Putting Fear into Soldiers.

The Kernan court martial board report which upholds the view of Secretary Baker and some of the Army officials that the present system of court martial should not be changed is sharply denounced by Lieutenant Colonel Ansell, former acting Judge Advocate of the Army and supporter of proposals made in Congress for reforms in the present system of military justice. Colonel Ansell says the Kernan document advocates the "rough and ready" method of dispensing justice in the service.

Secretary Baker said that several thousand copies of the Kernan report would be distributed in the military service and members of the bar. According to Colonel Ansell the report is based on the idea that instilling fear into soldiers through promptness and severity of punishment is more important than certainty of guilt. Under this theory every disobedience of orders should receive the severest punishment no matter if the offense is but a minor one.

Marriages in aeroplanes are quite the correct thing these days. It insures newspaper publicity. Likewise, in our boyhood days, the home paper never failed to add an extra paragraph when the joyous couple stood up in the old buggy and the parson tied the knot.

Newspaper subscription rates are about the only things in the U. S. A. up to date that haven't punched a hole in the sky.

Profiteering among lovers does not come under the ban. Take as many as you can get.

Our Daily Laugh

New and Bright Yarns That Will Tickle You and Will be Relished by Your Friends When You Repeat Them.

Two Irishmen, out of cash and shaking with cold, accosted a passerby who happened to be a thrifty Scot who ever feared a hold up. The Hibernians were making a peaceful request for a hand out when the Scotchman whaled into them. A free-for-all took place. In five minutes the two terriers flattened out the burly Sandy. O'Rourke gasped and said:

"Moses, but nabbe it wasn't a grand fight, with all the charm an' the unexpected."

"Tim," said the other, "we've earned a drink. Search his pockets for a quarter. It won't be robbin' him. He struck us first."

O'Rourke rapidly searched the prostrate man and produced a small coin.

"Tis five cints," said he.

"And he's a Scotchman," said Tim.

"Well, we're lucky. If he'd had a dime on him he'd kilt both us off."

CASH PRIZE OFFER: A prize of \$1.00 will be awarded each contributor of a joke to OUR DAILY LAUGH which we accept. Only new jokes, those never before published, are considered. Contributions will not be returned unless stamped envelope, bearing your address, is enclosed. Mail stories to contest editor, Daily Republican.

Will Not Solve H. C. L. Problem
(Fort Wayne News)

Get firmly fixed in your mind this fact—that the United States cannot garner all the real money in the world, issue its own reserve bank currency to the limit, establish a government price for labor and a government price for staple commodities, pay double for everything it buys with which to run a great war, scatter hard cash hither and yon with no regard for expense, divert a large part of its food products to foreign lands when they are needed at home and in like manner deal with many other things that enter into and make up the general economic situation and expect the cost of living to be low. With all profiteering, even with all profits eliminated, the cost of living would be high. Cheap money begets extravagance which, added to the increased cost of the things that cheap money must buy, makes the cost of living sufficiently a problem without intervention of causes with which economic conditions have nothing to do. Prosecution may wipe out some measure of the profiteering, but it will not change prices from the levels that are established by economic laws. Don't think it; for there is bound to be pain of disillusionment.

PRINCE ALBERT

The Famous Rich Smile

SAY, you'll have a streak of smokeluck that'll put pep-in-your-smokemotor, all right, if you'll ring-in with a jimmy pipe or cigarette papers and nail some Prince Albert for packing!

Just between ourselves, you never will wise-up to high-spot-smoke-joy until you can call a pipe by its first name, *then*, to hit the peak-of-pleasure you land square on that two-fisted-man-tobacco, Prince Albert!

Well, sir, you'll be so all-fired happy you'll want to get a photograph of yourself breezing up the pike with your smokethrottle wide open! *Talk about smoke-sport!* Quality makes Prince Albert so

appealing all along the smoke line. Men who never before could smoke a pipe and men who've smoked pipes for years all testify to the delight it hands out! *P. A. can't bite or parch!* Both are cut out by our exclusive patented process!

Right now while the going's good you get out your old jimmy pipe or the papers and land on some P. A. for what ails your particular smokeappetite!

KNEE IS BADLY LACERATED

Charley Barnes Hurt While Climbing Fence With Shotgun

What might have proved a serious hunting accident took place yesterday afternoon when a shotgun went off and lacerated Charley Barnes' leg while he was climbing over a fence. Barnes was in company with Gerard Goodin and was in the act of climbing over the fence, thinking that the gun was on safety, when it was accidentally discharged. The bullet pierced his flesh near the knee and barely missed hitting his shoulder. Before climbing over the fence, Barnes said that he made sure that the trigger was not cocked but when on top of the fence, the gun discharged.

Rheumatism Leaves You Forever.

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitious and where the patient was helpless.

Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed all druggists to guarantee it in every instance, adv.

CUT THE HIGH COST OF LIVING
By baking your own bread from
CLARK'S PURITY FLOUR

One barrel of 196 pounds will make 283 loaves of bread, which at 10c each would amount to \$28.30. CLARK'S PURITY FLOUR retails at \$13.60 per barrel, then the housewife who bakes her bread will save \$14.70 per barrel, less the seasoning and fuel for baking; hence a long step in the direction of reducing the high cost of living would be accomplished.

A Hot Spot Chalmers is a Tonic for Your Nerves

WHEN things go wrong, and the sun refuses to shine, and your nerves wear through to the surface get out in a present day Chalmers—and experience the joy of perfect motion, of an alert "piece of steel."

No grinding noises, no "coughing" of carburetor, no backfires, no sound of friction, no vibration—nothing but sweet, silent motion beneath you!

Picture in your mind the old car that raced from gear to gear as it got under way, the whine, the creaks—and then the rasping, the twitching, the quiverings when you set the brakes.

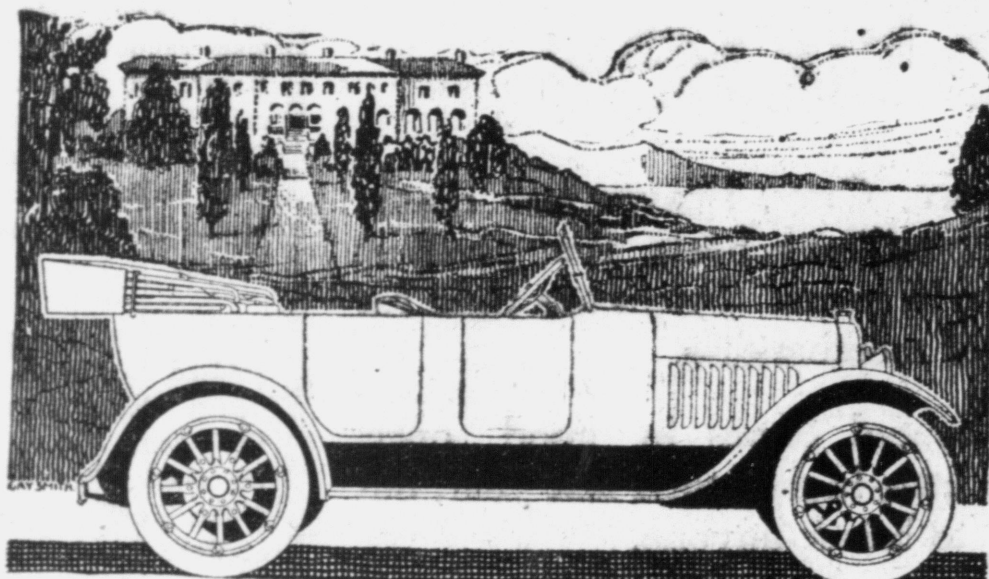

Now your nerves can "go to sleep" in a Chalmers, for Hot Spot and Ram's-horn have "pulverized" gas and given it to the engine so well prepared for power that vibration becomes a thing of the past.

And with vibration out go those thousand and one things that disturb your ears and irritate your nerves.

One ride on this present day Chalmers will mark for you a New Epoch in Motoring, whether you drive two blocks or 200 miles.

MORELOCK & GARY

MILLER and BUTTON, Auctioneers. L. R. WEBB, Clerk.
Dinner will be served by the Hannegan Aid Society of Christian Church.

Dowagiac Steerable One-Horse Disc

They are SELF-GUIDING and follow the horse perfectly on short turns or between crooked rows without guiding from the rear.

They are STEERABLE without lifting by the operator. Pressure on one of the handles or the operator shifting his position, when riding on the box immediately changes the course to that side.

They are ADJUSTABLE both as to width of rows and as to depth of sowing.

They are UNIFORM depositors of seed by means of independent and adjustable spring pressure on each disc.

They are CONVENIENT in transportation to and from the fields. One lever raises the discs and the drill is carried on the castor wheel in front and the drive wheels in the rear.

The Ben Davis Creek Missionary Society will hold their regular monthly meeting on Monday, Sept. 1, at two o'clock in the parlors of the church. Everybody is welcome.

The Allender reunion will be held Sunday, September 7, at the old Allender homestead, two miles west of Arlington, on the I. and C. traction line, stop 21. All members of the family are cordially invited.

The Ladies Aid Society of the First Baptist church met in the church parlors yesterday afternoon and conducted a business meeting. Many important questions for the

welfare of the church were discussed.

Mrs. Frank Hillis of Milroy entertained last evening in honor of her daughter Elizabeth's birthday and her guest, Miss Blanche Ayres, of St. Louis, Mo. The guests enjoyed the evening in games and a social good time. At a late hour refreshments were served.

The Miller-Downey reunion was held today in the Arlington Christian church. Those from here who attended were Mrs. Don Goodson and daughter Helen and son Joseph and Mrs. George Smith. The reunion next year will be held in Wabash, Ind.

Mr. and Mrs. S. W. Mathews of Milroy entertained at dinner yesterday

day at noon the Rev. and Mrs. Clyde S. Black and children of this city, Mr. and Mrs. William Black of Myerstown, Pa., Mr. and Mrs. Alfred Sample and children of Cambridge City and Mr. and Mrs. George Powers.

Mr. and Mrs. Fred Wilson entertained a few of their friends last evening with a six o'clock dinner party at their home in North Sexton street. Covers were laid for the Misses Ruth and Mable Wilson of Tipton, Ind., and Mr. and Mrs. Charles Updike and family of Milroy.

The regular meeting of the Tri Kappa sorority will be held Monday evening at the home of Miss Helen Norris, southeast of the city. The members will leave for the home of Miss Norris about five o'clock. Each member is requested to take her subscription money for the Cross Keys and every member is urged to be present.

Miss Mildred Myers assisted by Miss Marian Tittsworth entertained with a kitchen shower yesterday afternoon at the home of the former, honoring Miss Helen Norris, a bride elect. The rooms were beautifully decorated with flowers and potted plants, the color scheme being pink and green. About twenty guests enjoyed the afternoon informally and dainty refreshments were served at the close of the afternoon.

The piano pupils of Miss Leotis Hodge gave a recital at the home of their teacher, near Homer, Tuesday evening, the guests being the parents of the pupils. The rooms were decorated with summer flowers and following the program light refreshments of ice cream and cake were served. Those participating in the program were Lois Cram, Ruth Miller, Laconda Miller, Violet Willey, Helen Gossnell, Mabel Wagoner, Vivian Gahmer, Florene Coers, Erma Baker, Dorothy Fox, Mary Whisman, Wanda Richey, Lolita Stiers, Greta Ennis, LaNell Krammes, Irene Gahmer, Wilma Carr, Gladys Hasty, Frank Whisman and Arthur Morris.

Miss Yvonne Houghland and Miss Mildred Booth of Milroy, entertained with a watermelon party at the latter's home Monday evening the occasion being in honor of Miss Lillian Innis, who is going to school at Palm Beach, Florida and Miss Camella Mansfield, who will attend school at Rensselaer, Ind. The guests were entertained with out-of-door games and watermelon was served under a grapearbor which resembled a Japanese tea garden. The guests included Lillian Innis, Camella Mansfield, Florine Hood, Rowena Kennedy, Leone Downs, Mary Shelhorn, Jeanette Innis, Dorothy Cady, Alice Montgomery, Helen Mills, Pauline Patten, Dorothy Billings Elizabeth Hillis, Cathryn Patten and Blanche Ayres of St. Louis, Mo.

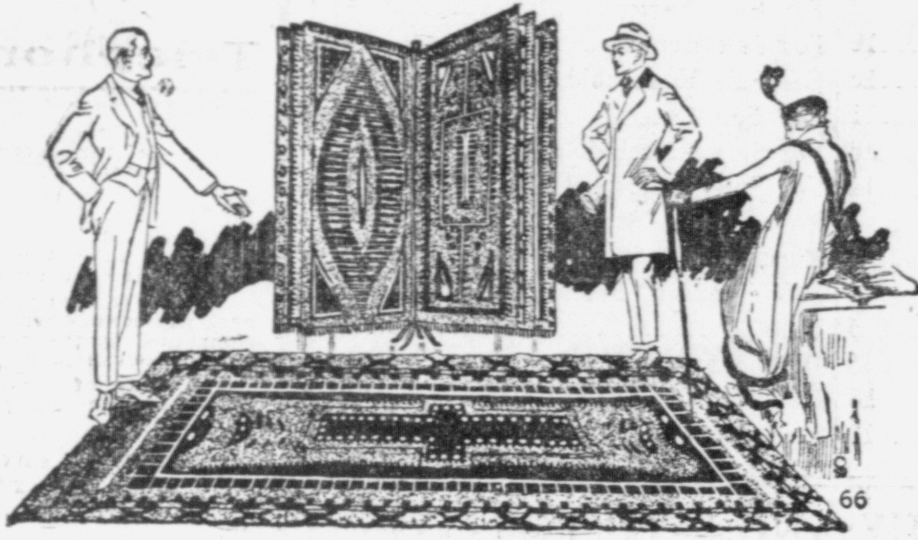

A pretty wedding was solemnized yesterday evening when Miss Esther Junken became the bride of Russell F. Carfield, of Indianapolis, formerly of Carthage. Mrs. Carfield was a graduate of the Carthage high school in 1916 and attended the University of Illinois. Mr. Carfield is a well known young man of this county. The bride was dressed in a French blue suit with a black hat. The color scheme in the decoration was pink and white. These colors especially predominated in the dining room where the pink and white streamers extended from the large basket of rosebuds, which formed the centerpiece for the table, to the plates. After the luncheon the young married couple left for their newly furnished home in Indianapolis.

FUNERAL WILL BE FRIDAY

Services For Mrs. Flim Reed, Who Died at Home Near Gowdy

Funeral services for Mrs. Flim Reed, who died late Tuesday night at her home in Gowdy, will be held Friday morning at ten o'clock in Fairland, with burial in the Fairland cemetery. Mrs. Reed had been ill for four months of cancer of the bowels. Last week she was taken to the Methodist hospital in Indianapolis, but the physicians there

TAKE

PEPSINCO

the best remedy for indigestion that ever came out of a drug store.

You know that pepsin is good for indigestion but pepsin could never do what PEPINCO will. We have dealt in medicines long enough to know the various uses and value. We unhesitatingly say that PEPINCO is the best remedy for indigestion, gas, flatulency, food distress, sour stomach and pains under the ribs, that ever came out of a drug store. Sufferers of indigestion and dyspepsia well do well to take PEPINCO.

Ask your druggist—he sells and recommends Pepsinco.

Upward Shoe Prices are Influencing Buying

Customers see clearly in the future and are realizing economy comes through buying good shoes that justify the payment of the price. We are serving our customers well this season because we bought large stocks of shoes very early in order to keep prices consistently low for fall.

Dark brown, military heel, all leather, 8 inch lace boot, like cut. A very snappy boot and a remarkable value. All Sizes and Widths.

Big Lot of Hay Fever Jokes
But Kentucky Man Says—"People Who Belong to Hay Fever Colony are Kidding Themselves."

Wouldn't Be Any Rose or Hay Fever if Simple Home Remedy Was Given a Chance.

"Yes, there's a real NINETY-NINE per cent effective remedy for hay or rose fever," frankly states a druggist in a prosperous Kentucky city.

"But I don't expect anyone to believe me, because the treatment is so easy and the cost not worth mentioning."

"The annual crop of hay-fever jokes would be mighty scarce if people would get an ounce of Mentholized Arcline and by just adding water that has been boiled make a pint of liquid that will prove a real help to all who suffer."

"Many of my hay-fever friends tell me that by starting to gargle and sniff or spray the nostrils a few times a day the expected severe attack often fails to appear and in cases where it does show up is very mild and does not annoy."

"The Better Class of Pharmacists" who dispense Mentholized Arcline say it will greatly modify any attack even when taken three or four days after hostilities begin.

Go to a real live druggist when you get ready to make a pint.

7 A DAY FOR 7 DAYS

If Your Nerves Are Shaky Because of Over-Indulgence in Tobacco or Alcohol or by Excess of Any Kind, Bio-Feren is What You Need Right Away.

Don't grow old before your time, don't let nervousness wreck your happiness or chances in life. The man with strong, steady nerves is full of vigor, energy, ambition and confidence. You can have nerves of steel, firm step, new courage and keen mind by putting your blood and nerves in first-class shape with mighty Bio-Feren, a new discovery, inexpensive and efficient.

Men and women who get up so tired in the morning that they have to drag themselves to their daily labor will in just a few days arise with clear mind, definite purpose and loads of ambition. All you have to do is to take two Bio-Feren tablets after each meal and one at bedtime—7 a day for 7 days—then reduce to one after each meal until all are gone.

Then if your energy and endurance haven't doubled, if your mind isn't keener and eyes brighter, if you don't feel twice as ambitious as before, any druggist anywhere will return the purchase price—gladly and freely.

Bio-Feren is without doubt the grandest remedy for nervous, rundown, weak, anaemic men and women ever offered and is not at all expensive. All druggists in this city and vicinity have a supply on hand—sell many packages.

MILLIONS

SUFFER FROM ACID STOMACH

THE GREATEST REMEDY ON EARTH—ACID IRON MINERAL.

Millions of people suffer year after year from ailments affecting practically every part of the body, never dreaming that their ill health can be traced directly to acid-stomach. Here is the reason: poor digestion means poor nourishment of the different organs and tissues of the body. The blood is impoverished—becomes weak, thin, sluggish. Ailments of many kinds spring from such conditions. Biliousness, rheumatism, lumbago, sciatica, general weakness, loss of power and energy, headache, insomnia, nervousness, mental depression—even more serious ailments, such as catarrh and cancer of the stomach, intestinal ulcers, cirrhosis of the liver, heart trouble—all of these can often be traced directly to acid-stomach.

Keep a sharp lookout for the first symptom of acid-stomach—indigestion, heartburn, belching, food repeating, that awful painful bloating after eating, and sour, gassy stomach. ACID IRON MINERAL, the wonderful modern remedy for acid-stomach, is guaranteed to bring quick relief from these stomach miseries. Thousands say they never dreamed that anything could bring such speedy relief—and make them feel so much better in every way. Try ACID IRON MINERAL and you, too, will be just as enthusiastic in its praise. Make your life worth living—no aches or pains—no blues or melancholy—no more of that tired, listless feeling. Be well and strong. Get back your physical and mental punch, your vim, vigor and vitality. You will always be weak and ailing as long as you have acid-stomach. So get rid of it now by taking ACID IRON MINERAL. Also call for A I M Pills and take one every night until stomach, kidneys and liver are relieved.

For sale by F. E. Wolcott, Druggist.

The Rev. G. F. Powers has returned from his vacation and will fill his regular appointments at the Fairview Christian church next Sunday morning and evening.

Amusements

Here Two Days—Princess

One of the most faithful portrayals of English society life either on the stage or screen is shown in Elsie Ferguson's newest picture, "A Society Exile," which is coming to the Princess theatre today and tomorrow. This photoplay does not agree with the false theory held by some Americans that all British noblemen are idlers and fortune-seekers. Only one person in the picture is of this type, the penniless Lord Bissett, who sues desperately for the hand of Nora Shard, the charming young American heiress, which is played by Miss Ferguson. Foiled in his play to gain control of the girl's millions, he plots to disgrace her, and succeeds so well that she is hooted throughout England as the mistress of another man and is finally practically banished from the island. Heartbroken she takes up residence in Venice under another

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. Zemo, obtained at any drug store for 35c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.

Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress. The E. W. Rose Co., Cleveland, O.

Betty Wales Dresses

do you know the new Autumn Serges are ready?

They are. In every locality there's one smart shop that sells Betty Wales Dresses. You will find a full line of the new Betty Wales Serges here—crisp tailored frocks with new lines, new trimming features—plain serges, serges embroidered with silk or metallic threads—a splendid assortment, breathing the very spirit of youth. You will be delighted with them the minute you see them. Don't put it off, visit the Betty Wales Store today and be among the first in this community to appear in a new Betty Wales Fall Dress.

All dealers who sell Betty Wales Dresses are authorized to make complete refund of money for any Betty Wales Dress that is not satisfactory.

Every dainty detail of a Betty Wales Dress is carefully thought out, each button and bow and bit of embroidery has had the designer's careful consideration. That is why each one is such a gem of simplicity and charm.

Good Feeds--Poor Feeds

Success is much easier to achieve than failure. Did you ever "hot foot" it for a train, or a girl? Well, when you breathlessly learned you had missed either, you thought or said things—often the saying was under your breath—that indicated, it is at all times easier to "carry on" successfully than "miss out." It should be much easier for a feed mill—not the scoop-shovel kind—to make good feeds than poor feeds. There is more satisfaction in doing a thing right. Repeat orders are a wonderful tonic to us. You re-buy because you were pleased with your feeding results. Good results count in your favor—our good judgment is vindicated. We recommend FAT BACK HOG FEED.

BOY IS HURT WHEN BOILER EXPLODES

Earl Overleese, Age 16, Son of Mr. and Mrs. John Overleese of Arlington, Seriously Burned

ACCIDENT NEAR OCCIDENT

Rulan Overleese, Age 18, a Brother, Slightly Injured and Father Escapes—Cleaning Gas Well

Earl Overleese, age sixteen years, son of Mr. and Mrs. John Overleese of Arlington, may be fatally burned as the result of a boiler explosion on the Thomas McMann farm, a short distance northwest of Occident in Center township, shortly after four o'clock yesterday afternoon.

Rulan Overleese, age eighteen years, a brother, was painfully injured from burns, but his condition is not serious. Mr. Overleese, father of the two boys, was not far from the engine when the boiler exploded, but escaped without a scratch. Children of Mr. and Mrs. Fred McMann, who live on the farm, were also standing near, but none of them was hurt.

Mr. Overleese and his two sons had the contract for cleaning out a gas well on the McMann farm and were engaged in pulling the pipe from the well when the accident happened. It is said that Mr. Overleese had just warned his son Earl, who was firing the boiler, not to get up any more steam because of the danger of the boiler exploding.

Earl was given first aid treatment at the McMann farm, and then rushed to his home in Arlington and Dr. A. G. Shauck of Arlington was called. It was at first thought that his eyesight had been damaged by the scalding steam and dirt which was blown into his face, but it has since been found that his eyes were not hurt.

The young man has a very serious bruise on the lower part of his abdomen, evidently from some part of the boiler striking him. His face was cut by flying missiles and he suffered burns all over his body. The worst of the burns are on his breast and arms.

Rulan, who was running the engine, was burned only on the hand and foot. How he escaped being as badly burned as his brother is not understood as he was close to the engine when the boiler let go. Two attempts had been made to pull the pipe out of the well and the third pull at the pipe was being made when the accident happened.

NEWMAN ARRESTED JUST OUTSIDE JAIL

Young Man Eludes Police But Returns to Talk to Mrs. Blanch Gilson

WHERE HE MAKES A MISTAKE

After a chase of several squares in the Pearl street district yesterday afternoon, by the police after Bert Newman, who was wanted by them in connection with the arrest of Mrs. Blanch Gilson, he was finally caught late in the afternoon, while talking to Mrs. Gilson on the outside of the jail.

Mrs. Gilson was placed in jail Tuesday on a charge of adultery, and when the arrest was made, Newman escaped. It was learned yesterday that Newman was back at the Gilson home in Pearl street, and when the police arrived, he ran, with them in pursuit. In the afternoon he sauntered by the jail and talked to Mrs. Gilson, and the police were then notified, and his arrest was made on the outside of the jail. Both parties were being held in jail today awaiting their trial.

INDIANA POLICE ARE ON DUTY

Trouble at Richmond When Strikers Find Men at Their Benches.

(By United Press.)

Richmond, Ind., Aug. 28.—Additional police were on duty here to maintain order following trouble between striking moulders and strike-breakers at the plant of the Malleable Casting Company.

Forty moulders who have been away from work for three weeks started back to their job yesterday morning, but discovered thirty strike-breakers at their benches.

Last night the strikers gathered about the hotel where the strangers were housed and stoned them.

SMALL FOOD ORDERS ARE DISCONTINUED

Hereafter None Will be Sold in Case Lots, Postmaster G. P. Hunt Announces Today

NO ORDERS FOR A FEW DAYS

Postmaster Hunt and his clerks, who have been engaged in the grocery business on a small scale the last few days, announced today that tonight would end the sale of the surplus food in small lots. The last day or so, there were no orders taken, and it was decided that today would end it here as far as small orders are concerned, and only case lots will now be sold.

In sending his final order in tonight, full cases will be ordered to fill out the partly filled cases, and the balance of the cases will be disposed of when they arrive, Mr. Hunt said this morning that there was plenty of bacon left to be sold, but it would only be sold in case lots, and not in the twelve pound cans. Practically all of the beans, with the exception of baked beans, have been sold, which includes, the stringless, green and dried beans.

The local postoffice has been looking for the last day or so, for the shipment of the food included the first few orders, but so far no word has been heard from the orders sent in from this office. No other office around here has received a shipment yet, and it is expected that surely the first consignment will reach here soon.

THREE COMPANIES OF MILITIA WITHDRAWN

Others Will Likely be on Their Way Home From Hammond This Evening, It is Announced

IT DEPENDS ON CONDITIONS

(By United Press.)

Indianapolis, Ind., Aug. 28.—Responding to the request of Hammond city officials, Governor Goodrich today withdrew three of the eleven companies of Indiana militia which have been stationed there during the strike of foreign-born employees of the Standard Steel Car company. The three companies released are from Fort Wayne, Elkhart and Gary.

According to an announcement from the governor's office, the majority of the other companies probably will be on their way home this evening.

Their removal depends upon conditions there and whether Adjutant General Smith thinks they warrant a longer stay.

HEARS OF MOTHER'S DEATH

Word was received last night by John Vernon of near Gowdy, of the death of his mother in Indianapolis, at the age of 82 years. Mr. Vernon left immediately for Indianapolis to take charge of the body.

OPPONENTS ARE STILL FIGURING

They Show Proposed County Infirmary Would Cost \$168,280, Counting Interest on Bonds.

ALSO COST OF EQUIPMENT.

Average Annual Expense of \$8,412 a Year, Not Including Increased Maintenance—Now \$3,167.39.

Opponents of the plan of the county commissioners to build a new county infirmary at the cost of nearly \$100,000, are still figuring. They have figured that:

The cost will average \$8,412 a year for the next twenty years, not taking into consideration the cost of maintenance, which it is estimated will run close to \$5,000 a year.

That the bond issue, to be paid off in twenty years, amounts to \$95,520.

That it will cost approximately \$20,000 to furnish and equip the building.

That the interest on the bond issue will amount to \$47,760.

That the architect's fee will be nearly \$5,000, which is five percent of the total contract price.

That the average annual loss in maintaining the county infirmary for the last seven years has been \$3,167.39.

That the county has an investment of \$44,000 in land alone in the poor farm tract, estimating the 176 acres to be worth \$250 an acre.

The state board of tax commissioners has been supplied with all of these facts to guide them in reaching a decision on the county commissioners' petition for permission to issue bonds to build the new infirmary.

Not a single person, opposed to the proposed new building, has been found, who does not want to see the county's unfortunates satisfactorily cared for, but they do believe that the county would invest too much money in a building which the commissioners want to build.

It is pointed out that if there is any truth in the argument which has been used by prohibitionists, that the graduation of intoxicating liquor will reduce the number of paupers, there is no occasion for providing such a large and elaborate building for the county's poor. It is stated that the records of states which have been dry for many years disclose that the number of county and state dependents has been greatly reduced.

It is also declared that no private home has been built in Rush county which cost more than \$40,000, and many can not understand why a home for the poor with adequate safeguards against loss of life from fire and good sanitary equipment, can not be built for at least \$50,000.

Counting the principal of the bonds to come due in the next twenty years, the interest, the architect's fee and the estimated cost of equipment, the total cost of the proposed building would be \$168,280. These figures do not take into consideration the increased cost of maintenance, which is certain, because of the new and larger building.

ALLEGED FLIER ARRESTED

Shelbyville, Ind., Aug. 28.—J. C. Lockwood, who says he is a lieutenant in the aerial service, was arrested here yesterday and taken to Connersville by the police of that city in answer to a charge filed against him by the Fayette County Fair Association, which accuses him of obtaining money under false pretenses.

COUNTY UNITS TO BE HEARD SEPT. 18

Scarcely a One Which Will Not Ask Permission of Tax Board to Increase Revenue

COUNTY FUNDS NEED MORE

Officials Believe Increases in Assessments Applies to Rushville —Assessors to Help

Earl Priest, county assessor, and George Aultman, Rushville township assessor, have been instructed by the state board of tax commissioners to assist the county auditor and his deputies in adding the increases put on the personal property assessments in the county by the state commissioners.

Mr. Aultman, of course, is expected to assist only with the work on the Rushville township lists, which include Rushville city, but Mr. Priest is supposed to help the auditor until the whole county is completed. Mr. Aultman is the only township assessor in the county who works on a salary and not a per diem schedule.

Thirty percent was added to the personal property in the townships. Forty percent in Rushville city and 60 percent in Carthage and Glenwood. The task is especially big because of notes and money being excluded from the increases, due to the fact that they are given in at their true cash value in the first place. This makes it necessary to go through every page of the personal lists and deduct these two items before figuring the increase. Putting the raise on real estate and improvements will be a simple matter because it can be figured on the totals by townships.

County taxing officials have about concluded that the state board did not intend to exclude Rushville city from the twenty-five percent increase which was put on lots and improvements in all cities and incorporated towns in the county. They were puzzled by a notation at the bottom of the statement raising assessments but after giving the matter considerable study, have come to the conclusion that the board meant for the increase to apply to Rushville city since the only figures certified to the state board were those made by the county board of review in reassessing lots and improvements in the city.

The state board has set the dates for hearing the petitions of local taxing units for permission to increase their revenue over this year, and Rush county is placed in the group of counties to be heard Thursday, September 18.

It is believed that there will scarcely be a township or incorporation in the county which will not want more revenue in one form or another for the coming year, due to the increased cost of government, which has mounted the same as all other expenses. It is definitely settled that the county commissioners will have to have more money in the general fund than was raised this year, which will make an increase in the county tax necessary, and more in the gravel road repair fund. The latter fund will be drawn upon more heavily next year because of more gravel roads being added and because one source of revenue which was used in road repair will be cut off. This is the sum which has been derived from automobile licenses, amounting to about \$15,000 a year. After this year all automobile license money goes to the state highway commission to be used in building and maintaining state roads.

It was estimated today the tax duplicate in Rushville city will amount to \$9,000,000, providing the increase is put on lots and improvements and the corporation, as assessed.

HINDENBURG IS SELECTED

People's Party Decides to Nominate Him For President

(By United Press.)

Berlin, Aug. 28.—The national people's party has decided to nominate Marshal Von Hindenburg as its candidate in the next presidential election, it was reported authoritatively today.

No date has been announced for the election. The president, according to the constitution, serves seven years but the original plan was that President Ebert should hold office only provisionally. The people's party is conservative in its make-up and policies.

DISPOSES OF ESTATE OF ABOUT 30 MILLION

Carnegie's Will, Filed For Probate Today, Leaves Annuities For W. H. Taft and Lloyd George

FORMER PRESIDENT'S WIVES

(By United Press.)

New York, Aug. 28.—The will of Andrew Carnegie, filed for probate at noon today, disposed of an estate estimated at between twenty-five and thirty million dollars. The will leaves the Carnegie real estate, works of art and household goods to his wife. The sum of \$200,000 is left to the University of Pittsburgh.

In a statement issued simultaneously with the probating of the will, Edwin Root, Jr., member of the law firm that acted for Carnegie, said that during his life time the philanthropist made gifts to charities amounting to \$350,000,000.

Financial provisions for Mrs. Carnegie and her daughter, Mrs. Roswell Miller, were made during Carnegie's life time. The fourth article of the will contains many legacies, among which are bequests to charitable institutions. The following articles provide for bequests to relatives and friends. Among the latter are annuities of \$10,000 each for William Howard Taft and David Lloyd George, and annuities of \$5,000 each to Mrs. Theodore Roosevelt and Mrs. Grover Cleveland.

BANDITS CAPTURE 150 CARRANZA MEN

Derail Train in Mountainous Region and Make Federal Troops Prisoners, Report Says

MUCH EQUIPMENT IS TAKEN

(By United Press.)

Laredo, Texas, Aug. 28.—Mexican bandits derailed a Carranza troop train carrying 150 men, machine guns, artillery and provisions early this week and killed or made prisoners all the federals, according to advices received here today.

More than 200 men were in the attacking party. It is not known to what faction the bandits belong. Included in the prisoners was a colonel in the federal army. A quantity of artillery was also captured. The attack came as a complete surprise in a lonely mountainous region, according to the report.

WILSON TO SPEAK IN INDIANAPOLIS

President Will Leave Washington Next Wednesday on Tour in Interest of Peace Treaty.

FIRST SPEECH AT COLUMBUS

Opponents in Senate Begin Making Plans For Speakers to Follow Wilson and Give Other Side.

(By United Press.)

Washington, Aug. 28.—President Wilson will start his tour of the country for the peace treaty and league of nations next Wednesday, September 3, it was announced at the White House today. His first stop will be at Columbus, Ohio.

The first stop after Columbus will be at Indianapolis.

Those accompanying the president will be Mrs. Wilson, Admiral Grayson, the president's personal physician, Secretary Tumulty, Gilbert Close, the president's stenographer and other officials.

A large force of secret service men will also go.

The president will reach the Pacific coast in mid-September. Immediately following announcement of the program of his tour, his senatorial opponents began plans for speakers to follow the president to present the opposition side of the treaty.

In addition to the speeches by senators who may go on the tour, there will be daily senate speeches on the treaty which, it is hoped, will be out of the foreign relations committee and before the senate at about the time the president leaves Washington.

The president will thus be carrying on long distance debate with his opponents. The argument of the president which he expects to carry to the country, has already been made in addresses to the senate and in his conferences with the foreign relations committee at the White House.

The review of the newly created Pacific fleet will be held at San Francisco September 1, acting Secretary of the Navy Roosevelt announced late yesterday. This will preclude attendance of President Wilson at the review.

Mr. Roosevelt said that President Wilson directed the navy department several days ago to proceed with plans for the review of Admiral Rodman's forces at San Francisco September 1 as originally planned. Secretary Daniels, Governors of several western states and the mayors of various Pacific coast cities will make up the reviewing party.

At the White House, after Secretary Roosevelt's announcement, it Continued on Page Three

Sam Finney Had To Do A Lot of Explaining

It took a lot of explaining on Sam Finney's part yesterday at noon in the traction terminal station in Indianapolis to keep him out of the police station. Sam left here yesterday with six revolvers, a couple of razors, two rifles and a shot gun, contained in a suit case which evidently was not securely fastened. When he set the suit case down in the station it came open and on the slick floor the guns went in all directions. A policeman asked him if he had just got back from Mexico, and wanted to see his passport, and after an examination of the contents, showed that they were in need of repair, the "cop" allowed him to go "provided that he buy the drinks, and fasten the suit case so they couldn't get out."

Powerful Pile
Remedy Discovered

Has Never Failed to End Most Ob-
stinate Case of Piles in a Few
Days.

For years it has been proved that
so-called external remedies applied
to or inserted in the rectum cannot
cure piles, and at the best can only
give temporary relief. Surgical op-
erations also do not remove this
cause, but simply the formation.

This wonderful prescription,
known as Miro Pile Remedy, is so
efficient in the treatment of piles,
that even chronic cases of from 20
to 30 years standing with profuse
bleeding have been completely cured
in from three to ten days. Think of
it! Just a few doses of a carefully
balanced prescription and the most
persistent case of piles is absorbed,
never to return.

All pharmacists dispense Miro, or
can get it for you on short notice.
Surely it's worth the little trouble
to obtain it to be rid of piles for-
ever.

IMPORTANT—What is known as
itching piles are not piles in the true
sense of the word, although this
condition may accompany a true
case of piles. For this condition
Miro Pile Ointment has been pre-
pared as in such cases it is not nec-
essary to take the internal prescrip-
tion.—Adv.

Nisco Spreaders

Now that the season for preparation for another crop has come, many are thinking of buying a
Spreader. This Nisco is the one best on the market. I know of no one who has one of them who
would not tell you that he had in it just what he had been wanting—a spreader that did the work
just as he wanted it done. Just yesterday I had word from the factory saying that in the last
two months they had sent out six trains—totalling 157 cars, loaded with 2,432 spreaders. This will
give you some idea of how popular they are. These shipments went into Indiana, Michigan, Illi-
nois, Minnesota, Wisconsin and Nebraska.

We have them out here with the following farmers:

John H. Frazee, Edward Clark, Morton Hinckman
Elmer Emmseller, Ebert Innis, O. L. Carr
T. J. Downey, Russell Orme, Frank O'Hart
Don C. Orwick, W. A. Hall, Charley Stevens
W. A. Alexander, Omer Mall, Brookly Bowen
Charles Kincaid, Bert Eakin

And others. See them and learn how they like them. Sold by

E. A. LEE, Rushville, Ind.

REPATRIATION COSTS

Melbourne, (By Mail)—The Com-
monwealth of Australia has spent
more than \$2,500,000 in the past
fiscal year in aiding returned sol-
diers and sailors and their depend-
ents, according to the first annual
review of the Repatriation Depart-
ment. Nearly 90,000 persons bene-
fited by the work of the department.

SEES PROGRESS IN
H. C. L. CAMPAIGN

Attorney General Has Hope, Ac-
cording to Announcement of
Success With Shoe Men

WILL FIX A MAXIMUM PRICE

Washington, Aug. 28.—Belief in
the progress in the government's
campaign against the high cost of
living was expressed by Attorney-
General Palmer in announcing last
night that the department of justice
is meeting with success in obtaining
from shoe manufacturers promises
as to fixing a maximum price on
shoes.

With reports to the department
indicating that a slight downward
trend in prices already has set in,
although it is not yet sufficient to be
reflected in spot purchases on the
retail market, Mr. Palmer declared
that with a fair chance efforts of
the government to squeeze the infla-
tion out of prices soon would show
substantial results.

Expressing satisfaction with the
success so far attained the attor-
ney-general said that he believed
the cumulative results would follow
enactment by the congress of
amendments to the food control law
providing criminal penalties for pro-
fiteers and hoarders.

Efforts of retail merchants to
stimulate buying by predicting high-
er prices next season on clothing
and other non-perishable articles
were condemned by Mr. Palmer, who
warned the public not to be stamp-
eded by this propaganda into a
"buying hysteria." Extensive pur-
chasing now, he said, would make
such predictions come true.

RELIEF FROM STRIKE
IN WEST IS EXPECTED

Yardmen at Sacramento and Oak-
land, Cal., Return to Work—
Others to Follow Their Lead

HINES THREATENS TO ACT

San Francisco, Aug. 28.—Hopes
for early and radical improvement
in the strike situation, which vir-
tually has paralyzed rail transpor-
tation in southern and central Cal-
ifornia, were expressed today.

All the strikers had before them
orders from their international of-
ficers to return to work, as well as
a statement from Walker D. Hines,
director-general of railroads, that
this order was "final," and that the
government was "taking steps" to
operate the roads if the strikers did
not return to their posts.

At Oakland and Sacramento,
where brief strikes of yard employes

had paralyzed traffic, the men had
returned to work, and conditions
were assuming something of a nor-
mal aspect.

Embargoes against passenger
traffic from eastern points to Cali-
fornia continued in effect today,
however, and from several points
came word of the organization of
automobile stage lines to carry
passengers to Los Angeles.

BE HEARD SEPT. 18
COUNTY UNITS TO

Continued from Page One.
sessed by the county board of re-
view, are not reduced by the state
board. This will be enough to keep
the city tax rate within the \$1.50
limit, providing the same amount of
revenue is raised next year as this.

Attention of county officials was
called today to the fact that the
state board ruled government cer-
tificated, War Savings Stamps and
Liberty Bonds were taxable, in the
case of some Newcastle factories
which held government securities. It
was stated that the county board of
review here had assessed govern-
ment securities held by local factor-
ies, which were regarded as taxable,
when they had been purchased with
money from an undivided surplus.

The services for the Little Flat-
Rock Christian church will be held
in the New Salem school auditorium
Sunday on account of the church
being rebuilt.

Farm Light
and Power

Here is a 40 light plant that
you will like—for its economy
and utility. Touch a button to
start it and another to stop.

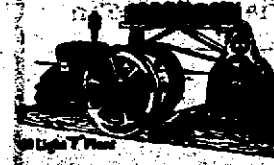

The low speed engine with
ball bearing dynamo assures long
life—less attention—lowest pos-
sible maintenance cost. The 40
light "F" farm outfit comes com-
pletely mounted on one base with
the famous throttling governor
"Z" engine which also gives
mechanical power to operate a
washing machine—cream sepa-
rator—churn—or other ma-
chines independent of the dy-
namo, either direct or through
a line shaft. Unquestionably the
biggest value in the farm light-
ing field—and you get the added
advantage of mechanical power.

Come in and see this plant
and let us prove its reliability
point by point.

How Acme Worm Bouncer Expels Worms

When the hogs and pigs eat anything the Free Intestinal worms
do not like, they lay dormant. The hog which is fed Acme
Worm Bouncer in the SELF-FEEDER eats a little—several times
a day. The WORM BOUNCER goes into the stomach and in-
testines—STRAIGHT. The time comes when the worm must
eat, and when he does, the Acme Worm Bouncer PARALYZES
the worm—he then must let go—and in that manner the Acme
Worm Bouncer expels the worms and EXPELS THEM ALIVE
from 5 to 7 days after you commence to feed Acme Worm
Bouncer.

Acme Worm Bouncer is fed with perfect safety to all pregnant
animals, whereas any remedy that kills the worm in the INTES-
TINES AND STOMACH is very injurious to the animal and
very dangerous to use.

NAMES FAIR PRICE BODY.

Muncie, Ind., Aug. 28.—As the result of a newspaper demand, D. Haines, federal food administrator for Delaware county, today appointed a fair price fixing committee as the first official action taken here to force down the high cost of living. Mayor Bunch announced the shipment of two car loads of war department food supplies to Muncie from Chicago.

GOLD MEDAL HAARLEM OIL CAPSULES

The world's standard remedy for kidney, liver, bladder and uric acid troubles—the National Remedy of Holland since 1896. Guaranteed. Three sizes, all druggists. Look for the name Gold Medal on every box and accept no imitation.

MISSING FLIERS NOT BLOWN OUT OF COURSE

Lieut. H. E. Slater and Serg. Strickland Were Believed to Have
 Been Lost in Ontario

REACH FLYING FIELD SAFELY

Mt. Clemens, Mich., Aug. 28.—Lieutenant H. E. Slater and Sergeant Strickland, who were believed to be lost in Lake Ontario, or to have been blown out of their course and landed in some out-of-the-way region during their flight from Buffalo to Toronto, in the international aerial derby, New York, to Toronto and return, yesterday, are safe at Helldorf field here, Lieutenant Thomas Gill commandant, announced this morning.

Lieutenant Gill reported that Slater's machine developed engine trouble, causing him to head for his home field, instead of continuing the flight to Toronto.

Slater was in wireless communication with Selfridge field throughout his flight after leaving Buffalo, it was said.

Compelled to land shortly after leaving Buffalo, the aviators made temporary repairs to their motor. They reached Selfridge field later.

Lieutenant Slater was on the last lap of his flight and left Buffalo at 12:47 o'clock yesterday afternoon, when engine trouble developed.

MONTENEGRO IS IN REVOLT

Serbian Are Unable to Put Down
 Revolutionary Movement

(By United Press.)

London, Aug. 28.—A revolution extending over the entire country has broken out in Montenegro, according to dispatches received here today.

The Montenegrins have cut the railroad between Virpazar and Antivari, on the coast.

The Serbians are receiving reinforcements but are not meeting with success in their efforts to put down the revolutionary movement, according to the advices, which represent the Montenegrin national spirit as thoroughly aroused and the animosity of the people against the Serbians increasing.

WILSON TO SPEAK IN INDIANAPOLIS

Continued from Page One
 It was said that the change in the date of the fleet review would not change the President's plans for the western part of his trip. White House officials said it was probable that the navy department's decision was predicted on the desire of persons on the Pacific coast to have the review held at an early date.

2 OPERATIONS PERFORMED

Two operations were performed today at the Dr. Green Hospital, both for the removal of tonsils and adenoids. Those operated on were Miss Vivian Bebout, daughter of Mr. and Mrs. Russell Bebout, and Harold McFarlane, living south of Arlington.

MONROE SALISBURY IN "THE BLINDING TRAIL"

Down the shining path of the slide "Big Jim" McKenzie sped on his toboggan, shouting in joyful abandon at the comrades left behind. Suddenly his shouts died on his lips. There in his path stood Helen Halverson, daughter of the millionaire lumberman, who was McKenzie's employer.

The girl was paralyzed with fright. To avoid striking her, McKenzie swerved his sled full into a tree.

He was picked up as if dead. It was found that no bones were broken, but the concussion had injured the optic nerve. Blindness set in. Helen, convinced it would be but temporary, followed the call of desire and lured Jim into marriage. Then, tiring of the game, she looked about for diversion.

What happened when "Big Jim," sightless, powerless, learned of his wife's treachery? And what of Adele, who had renounced her love in the face of McKenzie's infatuation for Helen? To learn the outcome of this gripping story of the North Woods you must see **"THE BLINDING TRAIL"** at the Mystic Theatre Friday.

Safe Vacation Days.
A healthful vacation, to get away from home and business, a change of climate and environment, is a very necessary mental and physical tonic for the hard-working American, says the United States Public Health Service.

But where to go and what to do is a problem. Hundreds and hundreds of people every year take bags and baggage and go away to rest-up and recuperate. They return broken in health and spirit because the place they selected was insanitary, beset with flies and mosquitoes and the drinking water polluted. Or they go off into the wilds, ignorant of camp sanitation and first aid treatment and fare equally as bad.

To guard against this the Public Health Service has published a little book, "The Safe Vacation", designed as a guide in the selection of a resort and as a companion wherever it might be necessary to render first aid to the injured. It points the way to a vacation that will be healthful and sets down a number of rules of sanitation to be borne in mind.

The booklet also contains a brief, but necessary chapter on first aid. It illustrates and explains rescue and resuscitation of the drowning, treatment of minor wounds and hurts, snake bites, sun burn and poison ivy. In addition it sets down some rules for bathing, which if observed, would make drowning remote.

No mention of resorts is made. The seashore, mountains, or the country are equally beneficial, provided the resort itself is sanitary.

The book simply tells one how to avoid the things that make the vacation dangerous to the health.

Overlooked One Bit
President Wilson's argument that no reservations should be attached to the resolution of ratification of the peace treaty for the reason that the assent of the German Assembly would have to be obtained to them and he would be reluctant to approach the German Assembly on this matter has fallen to the ground so far as reservations relating to the covenant of the league of nations are concerned.

The president used this argument in the formal statement which he put out at the opening of the recent White House conference with senators of the foreign relations committee. Moreover it has been used at various times by his lieutenants.

Senator Fall of New Mexico pointed out to the president that Germany was out of the league and that any amendment proposed by any member of the league prior to her coming into the league would not be submitted to her for the simple reason that she was not a member. Senator Fall asked the president if this were not true.

"I will admit", said the president, "that that point had not occurred to me. No, she would not".

Putting Fear into Soldiers.
The Kerman court martial board report which upholds the view of Secretary Baker and some of the Army officials that the present system of court martial should not be changed is sharply denounced by Lieutenant Colonel Ansell, former acting Judge Advocate of the Army and supporter of proposals made in Congress for reforms in the present system of military justice. Colonel Ansell says the Kerman document advocates the "rough and ready" method of dispensing justice in the service.

Secretary Baker said that several thousand copies of the Kerman report would be distributed in the military service and members of the bar. According to Colonel Ansell the report is based on the idea that instilling fear into soldiers through promptness and severity of punishment is more important than certainty of guilt. Under this theory every disobedience of orders should receive the severest punishment no matter if the offense is but a minor one.

Marriages in aeroplanes are quite the correct thing these days. It insures newspaper publicity. Likewise, in our boyhood days, the home paper never failed to add an extra paragraph when the joyous couple stood up in the old buggy and the parson tied the knot.

Newspaper subscription rates are about the only things in the U. S. A. up to date that haven't punched a hole in the sky.

Profiteering among lovers does not come under the ban. Take as many as you can get.

Sap and Salt

By BERT MOSES
Diplomats resort to everything except the Square Deal.

The easiest and surest way of making a living is to go to work.

The movie actor is a fellow who either kisses or kills for a living.

Doing something is quite a bit different from telling some one else how to do it.

When a man buys candy, you can tell whether he is married or not by the price he pays.

No matter how big a waste basket is, you miss oftener than you hit when you try to throw something into it.

Hez Heck says: "When a woman with painted lips and powdered chin gets through eating corn off the cob, her face looks like a cubist's picture of a sunset."

Our Daily Laugh

New and Bright Yarns That Will Tickle You and Will be Relished by Your Friends When You Repeat Them.

Two Irishmen, out of cash and shaking with cold, accosted a passerby who happened to be a thrifty Scot who ever feared a hold up. The Irishmen were making a peaceful request for a hand out when the Scotchman wheeled into them. A free-for-all took place. In five minutes the two terriers flattened out the burly Sandy. O'Rourke gasped and said:

"Moses, but maybe it wasn't a grand fight, with all the charm as the unexpected."

"Tim," said the other, "we've earned a drink. Search his pockets for a quarter. It won't be robbing him. He struck us first."

O'Rourke rapidly searched the prostrate man and produced a small coin.

"Tis five cents," said he.

"And he's a Scotchman," said Tim.

"Well, we're lucky. If he'd had a dime on him he'd kilt both us off."

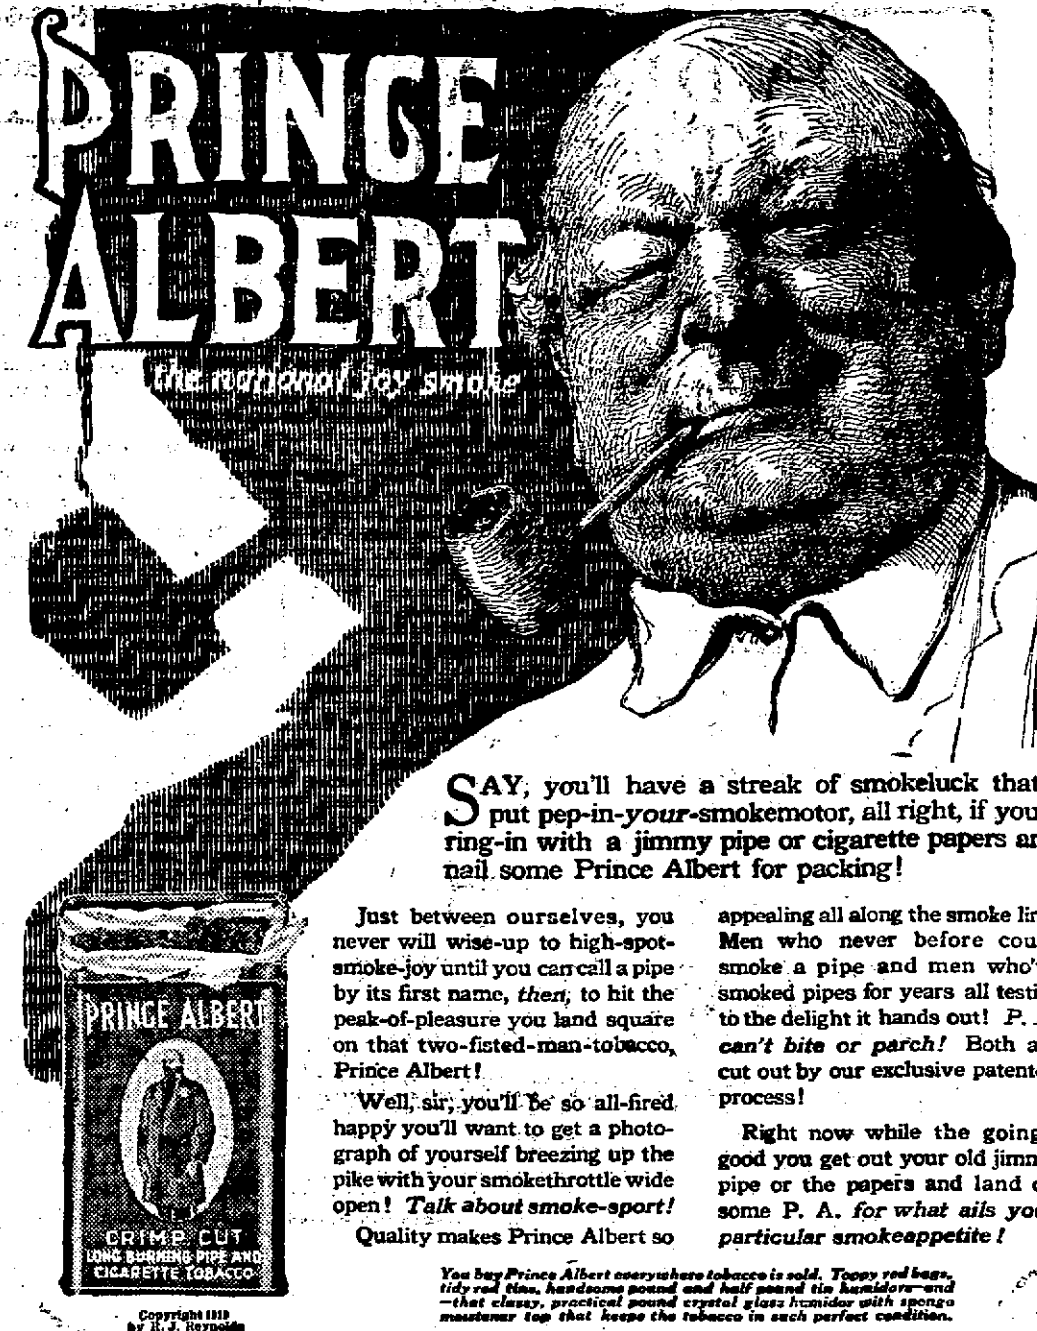

CASH PRIZE OFFER: A prize of \$1.00 will be awarded each contributor of a joke to OUR DAILY LAUGH which we accept. Only new jokes, those never before published, are considered. Contributions will not be returned unless stamped envelope, bearing your address, is enclosed. Mail stories to contest editor, Daily Republican.

Will Not Solve H. C. L. Problem
(Fort Wayne News)

Get firmly fixed in your mind this fact—that the United States cannot garner all the real money in the world, issue its own reserve bank currency to the limit, establish a government price for labor and a government price for staple commodities, pay double for everything it buys with which to run a great war, scatter hard cash hither and yon with no regard for expense, divert a large part of its food products to foreign lands when they are needed at home and in like manner deal with many other things that enter into and make up the general economic situation and expect the cost of living to be low. With all profiteering, even with all profits eliminated, the cost of living would be high. Cheap money begets extravagance which, added to the increased cost of the things that cheap money must buy, makes the cost of living sufficiently a problem without intervention of causes with which economic conditions have nothing to do. Prosecution may wipe out some measure of the profiteering, but it will not change prices from the levels that are established by economic laws. Don't think it for there is bound to be pain of disillusionment.

PRINCE ALBERT
The national boy smoke

SAY, you'll have a streak of smoke-luck that'll put pep-in-your-smoke-motor, all right, if you'll ring-in with a jimmy pipe or cigarette papers and nail some Prince Albert for packing!

Just between ourselves, you never will wise-up to high-spot-smoke-joy until you can call a pipe by its first name, then, to hit the peak-of-pleasure you land square on that two-fisted-man-tobacco, Prince Albert!

Well, sir, you'll be so all-fired happy you'll want to get a photograph of yourself breezing up the pike with your smoke-throttle wide open! Talk about smoke-sport!

Quality makes Prince Albert so appealing all along the smoke line. Men who never before could smoke a pipe and men who've smoked pipes for years all testify to the delight it hands out! P. A. can't bite or parch! Both are cut out by our exclusive patented process!

Right now while the going's good you get out your old jimmy pipe or the papers and land on some P. A. for what ails your particular smoke-appetite!

You buy Prince Albert everywhere tobacco is sold. Tossy red bags, tidy red tins, handsome round and half round tins—handsome and that's clear, practical round crystal glass tins—with sponge maintainers top that keeps the tobacco in each perfect condition.

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

KNEE IS BADLY LACERATED

Charley Barnes Hurt While Climbing Fence With Shotgun

What might have proved a serious hunting accident took place yesterday afternoon when a shotgun went off and lacerated Charley Barnes' leg while he was climbing over a fence. Barnes was in company with Gerard Goodin and was in the act of climbing over the fence, thinking that the gun was on safety, when it was accidentally discharged. The bullet pierced his flesh near the knee and barely missed hitting his shoulder. Before climbing over the fence, Barnes said that he made sure that the trigger was not cocked but when on top of the fence, the gun discharged.

Rheumatism Leaves You Forever.

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitious and where the patient was helpless.

Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful, all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed all druggists to guarantee it in every instance. adv.

CUT THE HIGH COST OF LIVING
By baking your own bread from
CLARK'S PURITY FLOUR

One barrel of 196 pounds will make 283 loaves of bread, which at 10c each would amount to \$28.30. CLARK'S PURITY FLOUR retails at \$12.50 per barrel, then the housewife who bakes her bread will save \$15.80 per barrel, less the seasoning and fuel for baking, hence a long step in the direction of reducing the high cost of living would be accomplished.

C. G. Clark & Sons

INDIANA STATE FAIR

Indianapolis, Sept. 1 to 6 Night Hippodrome Show

The most spectacular Hippodrome program ever staged in the Middle West. Twenty big acts by 100 performers from the New York Hippodrome, "Big Time" Vaudeville and Circuses, among them being:

Charles Murphy who has been ill is improving.

Orange.

Mrs. W. P. Sipe returned from a visit with relatives near Wafarion, Saturday. She was accompanied home by her daughter, Mrs. Margaret Bailey and daughter Virginia May.

Mrs. Ida McKee and daughter

A Hot Spot Chalmers is a Tonic for Your Nerves

WHEN things go wrong, and the sun refuses to shine, and your nerves wear through to the surface get out in a present day Chalmers—and experience the joy of perfect motion, of an alert "piece of steel."

No grinding noises, no "coughing" of carburetor, no backfires, no sound of friction, no vibration—nothing but sweet, silent motion beneath you!

Picture in your mind the old car that raced from gear to gear as it got under way, the whine, the creaks—and then the rasping, the twitching, the quiverings when you set the brakes.

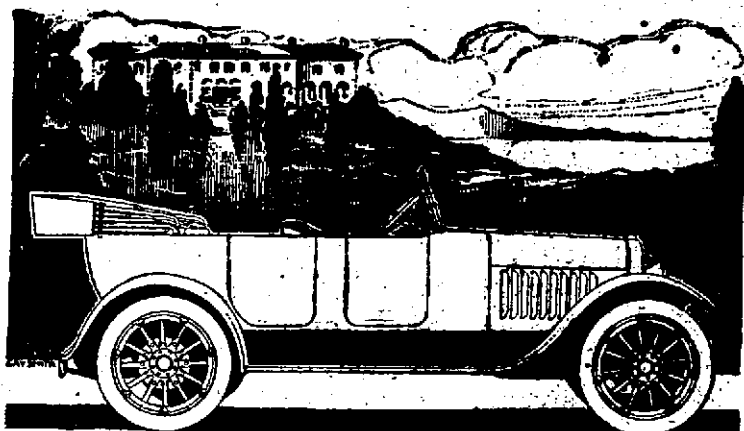

Now your nerves can "go to sleep" in a Chalmers, for Hot Spot and Ram's-horn have "pulverized" gas and given it to the engine so well prepared for power that vibration becomes a thing of the past.

And with vibration out go those thousand and one things that disturb your ears and irritate your nerves.

One ride on this present day Chalmers will mark for you a New Epoch in Motoring, whether you drive two blocks or 200 miles.

\$1685 f.o.b. Detroit

MORELOCK & GARY
MILLER and BURTON, Auctioneers
Phone 1632 317-319 West Second St.

welfare of the church were discussed.

Mrs. Frank Hillis of Milroy entertained last evening in honor of her daughter Elizabeth's birthday and her guest, Miss Blanche Ayres, of St. Louis, Mo. The guests enjoyed the evening in games and a social good time. At a late hour refreshments were served.

The Miller-Downey reunion was held today in the Arlington Christian church. Those from here who attended were Mrs. Don Goodson and daughter Helen and son Joseph and Mrs. George Smith. The reunion next year will be held in Wabash, Ind.

Mr. and Mrs. S. W. Mathews of Milroy entertained at dinner yesterday at noon the Rev. and Mrs. Clyde S. Black and children of this city, Mr. and Mrs. William Black of Myerstown, Pa., Mr. and Mrs. Alfred Sample and children of Cambridge City and Mr. and Mrs. George Powers.

Mr. and Mrs. Fred Wilson entertained a few of their friends last evening with a six o'clock dinner party at their home in North Sexton street. Covers were laid for the Misses Ruth and Mable Wilson of Tipton, Ind., and Mr. and Mrs. Charles Updike and family of Milroy.

The regular meeting of the Tri Kappa sorority will be held Monday evening at the home of Miss Helen Norris, southeast of the city. The members will leave for the home of Miss Norris about five o'clock. Each member is requested to take her subscription money for the Cross Keys and every member is urged to be present.

Miss Mildred Myers assisted by Miss Marian Tittsworth entertained with a kitchen shower yesterday afternoon at the home of the former, honoring Miss Helen Norris, a bride elect. The rooms were beautifully decorated with flowers and potted plants, the color scheme being pink and green. About twenty guests enjoyed the afternoon informally and dainty refreshments were served at the close of the afternoon.

The piano pupils of Miss Leotis Hodge gave a recital at the home of their teacher, near Homer, Tuesday evening, the guests being the parents of the pupils. The rooms were decorated with summer flowers and following the program light refreshments of ice cream and cake were served. Those participating in the program were Lois Crum, Ruth Miller, Laconda Miller, Violet Willey, Helen Gosnell, Mabel Waggoner, Vivian Gahimer, Florene Coers, Erma Baker, Dorothy Fox, Mary Whisman, Wanda Richey, Lolita Stiers, Greeta Ennis, LaNell Krammes, Irene Gahimer, Wilma Carr, Gladys Hasty, Frank Whisman and Arthur Morris.

Miss Yuma Houghland and Miss Mildred Booth of Milroy, entertained with a watermelon party at the latter's home Monday evening, the occasion being in honor of Miss Lillian Innis, who is going to school at Palm Beach, Florida and Miss Camella Mansfield, who will attend school at Rensselaer, Ind. The guests were entertained with out-of-door games and watermelon was served under a grapearbor which resembled a Japanese tea garden. The guests included Lillian Innis, Camella Mansfield, Florine Hood, Rowena Kennedy, Leone Downs, Mary Shelhorn, Jeanette Innis, Dorothy Cady, Alice Montgomery, Helen Mills, Pauline Patten, Dorothy Billings Elizabeth Hillis, Cathryn Patten and Blanche Ayres of St. Louis, Mo.

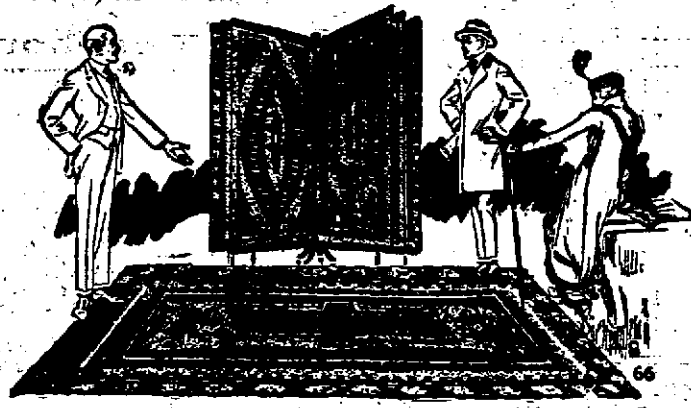

A pretty wedding was solemnized yesterday evening when Miss Esther Junken became the bride of Russell F. Carfield, of Indianapolis, formerly of Carthage. Mrs. Carfield was a graduate of the Carthage high school in 1916 and attended the University of Illinois. Mr. Carfield is a well known young man of this county. The bride was dressed in a French blue suit with a black hat. The color scheme in the decorations was pink and white. These colors especially predominated in the dining room where the pink and white streamers extended from the large basket of rosebuds, which formed the centerpiece for the table, to the plates. After the luncheon the young married couple left for their newly furnished home in Indianapolis.

FUNERAL WILL BE FRIDAY
Services For Mrs. Elm Reed, Who Died at Home Near Gowdy

Funeral services for Mrs. Elm Reed, who died late Tuesday night at her home in Gowdy, will be held Friday morning at ten o'clock in Fairland, with burial in the Fairland cemetery. Mrs. Reed had been ill for four months of cancer of the bowels. Last week she was taken to the Methodist hospital in Indianapolis, but the physicians there

Autumn Display Royal Wilton Rugs

Just what you have been waiting for! We have been especially fortunate in having our Fall order for fine Wilton rugs filled. Our stock is now complete—gorgeous Chinese patterns in rose, blue and tan—ends bound with linen fringe. A truly wonderful showing in Royal-Ka-Shan, Savalan, Trewan Royal Wilton Rugs.

There is no better domestic rug made than the Royal-Ka-Shan Wilton—made full six frames, all worsteds—a rug to wear a life time. Yarns are dyed by the best known process. You will be pleased with any one of these three grades. Sizes are being shown as follows: 22½ x 36; 27 x 54; 36 x 63; 9 x 12, and 11-3 x 12. These sizes are all carried in stock—other sizes can be ordered special for you.

The prices of the room size rugs range from \$75 to \$160. The smaller sizes are priced from \$7.00 to \$20.00. If you are contemplating a change in your fine floor coverings, pay us a visit while our stocks are new and complete. We shall be pleased to show you.

THE MAUZY CO.

PESKY BED BUGS

A MILLION BEDBUGS. Just think, a 35c package of the new golden chemical P.D.Q. (Pesky Devils' Quietus) is enough to make a quart and enough to kill a million bedbugs, no matter how large they may be or where they come from, their age, color or sex, and at the same time leaves a coating on their eggs and prevents hatching.

CUT THIS OUT. This new chemical can be had at any first-class drug store. A 35c package makes a quart of P.D.Q., and will

so farther than a barrel of old-fashioned bug killer. Don't let anybody impose upon your intelligence by offering you something else. Insist on what you ask for, then you'll have what doctors prescribe.
KILLS FLEAS ON DOGS. It's fun to see the fleas drop off your pet dog.
KILLS CHICKEN LICE. No use for your chickens to have lice. A 35c package mixed makes a gallon of chicken lice killer. Your druggist has it, or can get it for you.

TAKE

PEPSINCO

the best remedy for indigestion that ever came out of a drug store.

You know that pepsin is good for indigestion but pepsin could never do what PEPSINCO will. We have dealt in medicines long enough to know the various uses and value. We unhesitatingly say that PEPSINCO is the best remedy for indigestion, gas, flatulency, food distress, sour stomach and pains under the ribs, that ever came out of a drug store. Sufferers of indigestion and dyspepsia well do well to take PEPSINCO.

Ask your druggist—he sells and recommends Pepsinco.

Upward Shoe Prices are Influencing Buying

Customers see clearly in the future and are realizing economy comes through buying good shoes that justify the payment of the price. We are serving our customers well this season because we bought large stocks of shoes very early in order to keep prices consistently low for fall.

Dark brown, military heel, all leather, 8 inch lace boot, like cut. A very snappy boot and a remarkable value.

MILLIONS SUFFER FROM ACID STOMACH THE GREATEST REMEDY ON EARTH—ACID IRON MINERAL.

Millions of people suffer year after year from ailments affecting practically every part of the body, never dreaming that their ill health can be traced directly to acid-stomach. Here is the reason: poor digestion means poor nourishment of the different organs and tissues of the body. The blood is impoverished—becomes weak, thin, sluggish. Ailments of many kinds spring from such conditions. Biliousness, rheumatism, lumbago, sciatica, general weakness, loss of power and energy, headache, insomnia, nervousness, mental depression—even more serious ailments, such as catarrh and cancer of the stomach, intestinal ulcers, cirrhosis of the liver, heart trouble—all of these can often be traced directly to acid-stomach.

Keep a sharp lookout for the first symptom of acid-stomach—indigestion, heartburn, belching, food repeating, that awful painful bloated after eating, and sour, gassy stomach. ACID IRON MINERAL, the wonderful modern remedy for acid-stomach, is guaranteed to bring quick relief from these stomach miseries. Thousands say they never dreamed that anything could bring such speedy relief—and make them feel so much better in every way. Try ACID IRON MINERAL and you, too, will be just as enthusiastic in its praise. Make your life worth living—no aches or pains—no blues or melancholy—no more of that tired, listless feeling. Be well and strong. Get back your physical and mental punch, your vim, vigor and vitality. You will always be weak and ailing as long as you have acid-stomach. So get rid of it now by taking ACID IRON MINERAL. Also call for A I M Pills and take one every night until stomach, kidneys and liver are relieved.

For sale by F. E. Wolcott, Druggist.

The Rev. G. F. Powers has returned from his vacation and will fill his regular appointments at the Fairview Christian church next Sunday morning and evening.

Amusements

Here Two Days—Princess

One of the most faithful portrayals of English society life either on the stage or screen is shown in Elsie Ferguson's newest picture, "A Society Exile," which is coming to the Princess theatre today and tomorrow. This photoplay does not agree with the false theory held by some Americans that all British noblemen are idlers and fortune-seekers. Only one person in the picture is of this type, the penniless Lord Bissett, who sues desperately for the hand of Nora Sharr, the charming young American heiress, which is played by Miss Ferguson. Foiled in his play to gain control of the girl's millions, he plots to disgrace her, and succeeds so well that she is hooted throughout England as the mistress of another man and is finally practically banished from the island. Heartbroken she takes up residence in Venice under another name, and in the beautiful Italian city finally finds happiness and her vindication. "A Society Exile," which was adapted from that play, "We Can't Be as Bad as All That," by Henry Arthur Jones, is considered Miss Ferguson's most powerful starring vehicle to date. It was directed by George Fitzmaurice, and the cast supporting Miss Ferguson is an exceptionally strong one.

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. Zemo, obtained at any drug store for 25c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases. Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress.
The R. W. Rose Co., Cleveland, O.

Serges are ready?

They are. In every locality there's one smart shop that sells Betty Wales Dresses. You will find a full line of the new Betty Wales Serges here—crisp tailored frocks with new lines, new trimming features—plain serges, serges embroidered with silk or metallic threads—a splendid assortment, breathing the very spirit of youth. You will be delighted with them the minute you see them. Don't put it off, visit the Betty Wales Store today and be among the first in this community to appear in a new Betty Wales Fall Dress.

All dealers who sell Betty Wales Dresses are authorized to make complete refund of money for any Betty Wales Dress that is not satisfactory.

Every dainty detail of a Betty Wales Dress is carefully thought out, each button and bow and bit of embroidery has had the designer's careful consideration. That is why each one is such a gem of simplicity and charm.

TheMauzyCo.

Elmo Lincoln at Mystic
Elmo Lincoln, the wonderful star of the "Tarzan" pictures, continues his smashing, fighting career in the fifth episode of his first serial, "Elmo the Mighty," which is shown at the Mystic Theatre today.

This serial, with its bracing atmosphere of outdoors, and its thrilling succession of daring stunts, is proving a big attraction at the Mystic.

Spectacular snow scene revolving around a thrilling toboggan accident on a steep hillside in which one of the principals really was badly bruised, are a feature of "The Blinding Trail," the new Monce Salsbury film play coming to the Mystic theatre tomorrow.

Paul Powell directed the picture which deals with the Northwoods and its people, among whom are Big Jim McKenzie, boss lumberman; his employer, Halverson, the millionaire lumber dealer; Halverson's daughter, Helen, a city product in every luxury-loving essential; and the latter's "poor cousin."

The triangle formed by McKenzie and the two girls passes as another character, Jean DuBrey, impersonated by Arthur Maude, the eminent character actor, enters. It becomes a quadrangle with McKenzie, Helen, who becomes his mis-mated wife; Adele, "the poor relation" and DuBrey, the assistant camp boss; as the characters.

The story written by Stuart Paton who produced "Twenty Thousand Leagues Under the Sea," and John B. Clymer is an unusually powerful one and the execution in such capable hands is praiseworthy.

One of the most appealing screen fight sever witnessed is the climax of the play. In it Salsbury as the blind McKenzie, Maude and Claire Anderson, the Helen Halverson of the story, participate and bring the plot to a smashingly logical culmination.

Alfred Allen, the character actor; Johnnie Cooke, comedian and others have strong parts in the picture.

CHICHESTER'S PILLS
THE BLAVER PILL
This is the only medicine that will cure all the ailments of the bowels, such as constipation, indigestion, flatulence, etc. It is a sure and safe remedy for all the above ailments. It is sold by all druggists and is guaranteed to give satisfaction.

Good Feeds--Poor Feeds

Success is much easier to achieve than failure. Did you ever "hot foot" it for a train, or a girl? Well, when you breathlessly learned you had missed either, you thought or said things—often the saying was under your breath—that indicated, it is at all times easier to "carry on" successfully than "miss out." It should be much easier for a feed mill—not the scoop-shovel kind—to make good feeds than poor feeds. There is more satisfaction in doing a thing right. Repeat orders are a wonderful tonic to us. You re-buy because you were pleased with your feeding results. Good results count in your favor—our good judgment is vindicated. We recommend **FAT BACK HOG FEED.**

The serum is as good as can be made and for a recommendation, ask anybody that has used it. Every one who has vaccinated done wants the best serum he can buy, and this is guaranteed to give satisfaction.

See or Call **RALPH H. MILES**, office over Rushville National Bank. Phone 2884 or Raleigh phone.

The Quality Tire & Rubber Co.

Manufacturers of
Automobile Tires & Tubes
Anderson, Indiana

CAPITAL STOCK \$750,000.

Preferred stock pays 8% and is participating. If you are interested in this stock don't put off buying, as our common stock is pretty well sold, and will be off of the market before long.

\$300,000 PREFERRED.
\$450,000 COMMON.

One of the most profitable lines of manufacture in the world today. Will you share in these earnings?

Less than two hours' run to the factory. I make two trips each week to Anderson. You can join me without obligation and see we are building tires.
